## ADDITIONAL INFORMATION

### MEMBER'S HANDBOOK

At the AGM in December 2009 it was proposed and accepted that a Member's Handbook would be produced and circulated to all HFSC members. The intention is to include useful information such as the sailing and social programme, the committee list and the names and a contact telephone number of club members.

The inclusion of club members' details would be to provide a means by which club members can contact each other and is in line with the approach taken by other sailing clubs.

It was also agreed that members could opt out from being included in the handbook by means of a tick box on the membership form.
