Risk Statement

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk.

By taking membership of HFSC, each member agrees and acknowledges that:

1. they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in any organised event or free sailing;
2. they are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
3. they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
4. their boat is in good order and they are fit to sail;
5. the provision of a race management team, patrol boats and other officials and volunteers by the HFSC does not relieve them of their own responsibilities;
6. the provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
7. it is their responsibility to familiarise themselves with any risks specific to this venue and to attend any safety briefings held for events they are participating in;
8. their boat is adequately insured, with cover of at least £1,000,000 against third party claims.
